

CAPRI VERDE.
DRIVE
THE REST OF
AUSTRALIA
GREEN
WITH ENVY.

New limited edition Capri Verde.

The newest Capri is truly a collector's item. Only 200 lucky Australians will be able to drive away the new Capri Verde.

Capri Verde is painted in eye-catching Everglade green and comes with a host of standard features at no extra cost, making Capri even better value than ever.

Capri Verde is fitted with a stylish white soft top, new 15 inch sports alloy wheels and a distinctive Verde decal, signalling to the world you're driving something special.

Of course, Verde also features the kind of standard equipment which has made Capri the affordable

Matching detachable hard top is standard.

Air conditioning is standard.

dream, including a 1.6-litre DOHC, EFI engine, air-conditioning, power steering, an aerodynamic rear spoiler and detachable hard top. Not to mention a deluxe four speaker AM/FM sound system, power windows and mirrors.

Verde comes with a 5-speed manual as standard, or if you prefer, enjoy the smooth shift of the optional 4-speed electronic automatic transmission. With only 200 available, Capri Verde is sure to be the fastest moving convertible sold in Australia. So see your Ford Dealer now. And drive the rest of Australia green with envy.

Have you driven a Ford...lately?
